

Moondance by Van Morrison

Well it's a marvellous night for a moondance
with the stars up above in your eyes
a fantabulous night to make romance 'neath the
color of October skies

All the leaves on the trees are falling, to the
sounds of the breezes that blow
and I'm trying to place to the calling of your
heartstrings that play soft and low

Dm7 Am7

You know the night's magic seems to
Whisper and hush.

you know the soft moonlight seems to shine

Well I want to make love to you tonight
I can't wait til the morning has come
and I know now the time is just right and straight
into my arms you will run

when you come my heart will be waiting to make
sure that you're never alone
there and then all my dreams will come true dear
there and then I will make you my own

Dm7 Am7

And every time I touch you, you just
Tremble inside

then I know how much you want me, that

you can't hide
